

All Bus Routes will change for the 2009-10 school year.

Please make sure you check your child's bus stop/route prior to the first day of school. In an effort to help the district face the challenges of the 2009-10 school year, the Transportation Department has redistributed bus stops to allow for one less bus route for the next school year. All stops on that route (Route J) will be redistributed among the other existing routes. In order to make this change, many stops have been moved around among the other routes. Most of the existing stops from this school year will remain, however no route has been left unchanged.

Once school starts, the timing on these new routes will be adjusted as the school year progresses. The loads are going to be heavier than they are currently and students may be on the bus slightly longer. Hopefully, with a few adjustments, our new route changes will be successful. Please bear with us while we make these changes. No bus can wait for late students so please make sure your child is waiting at the bus stop at least 5 minutes prior to the newly listed times for your child's stop.

The new bus routes have been published online on the district website, www.asd103.org. In addition, the routes will be made available for viewing at all school building offices and the Anacortes Public Library as of August 26. The first day of the 2009-10 school year will be September 9th.

Thank you for your patience and understanding as we undertake this major change.

To make this transition as easy as possible- If your child will be dropped off after school at a stop other than his/her home address on a **daily basis**, please complete the form below and return to your child's school building by August 28th. This should be used for daycares, grandparents, work locations, Boys/Girls Club, etc.

Student's name _____ Grade _____

School _____ Parent contact
phone number _____

My child will need to be dropped off at _____ daily.
Address of bus stop & phone number

If he/she will need to be dropped off at any other location including home, I will send a note to the school for the date needed. I understand that the bus stop nearest to the above address will be my child's permanent stop location until it is changed by me.
